

NEWSLETTER 7
13 January 2010

Dear Parents

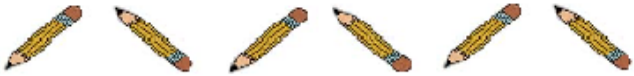

Thank you for your support and patience last week. I am disappointed that we had to close the school. However, as with all other schools in the area, it was necessary because of the adverse weather. We have been sending texts to keep you updated, as well as emailing and placing information on the website. If you have not been receiving the text messages, please let the office know.

Baby Staff News
We say goodbye to Miss Becky Carter as she goes on maternity leave on Friday and hello again to Mrs Sarah Hudson.

Requests for Absence
This week you will have received an information leaflet on attendance for your child. I would ask that you read it carefully.
