

## NEWSLETTER 10

31 March 2010

### GROUNDS DAY

Thank you to all the parents who supported Grounds Day. The children had a wonderful day:

- Potatoes were potted
- Grounds were tidied
- Litter was picked
- Bugs were found
- Trees were planted
- Homes were made for insects
- The pond was dipped

### HEALTH & SAFETY

All schools in Hampshire have to have a Health & Safety Audit carried out by the local authority every 3 years. We had ours two weeks ago and achieved 96%. A great achievement!

Thank you to everyone who has sent in pencils and toothbrushes for children in The Gambia. We will be sending a parcel very soon!

### E-SAFETY

Some of the children have spoken about accessing Facebook on the internet at home. Please make sure your children are safe while on the internet. The minimum age for Facebook, Bebo and MySpace is 13.

### SPORTS RELIEF

All the children rose to the challenge for Sports Relief. Over £750 has been raised! Thank you.

I hope you all have a wonderful Easter holiday.  
The Summer Term begins on **Monday 19 April.**
