

## NEWSLETTER 4

9 January 2012

### Welcome back!

I hope you all have a peaceful and happy 2012.

### WOW Moments

Don't forget to send in your child's Wow Moments! If you need more slips, please ask your child's class teacher

### SICKNESS

If your child has been sick or had diarrhoea, school policy is that your child should stay at home until clear from further illness for 48 hours. This is so that we can try to contain the spread of any tummy bugs!

### Ashley Infant School Headship

The headship of Ashley Infant School is now advertised. The interviews will take place on 23/24 February. The governors will keep you informed of the process.

Pauline Dukes  
Headteacher

### Martin the Puppet Man

The children will be watching Martin the Puppet Man perform 'Goldilocks' on Thursday. I'm sure they will enjoy it!

### REMINDERS

- Please remember to name all your child's clothes and property!
- Please check your child's hair for headlice regularly! Please remember to treat the whole family if lice are found.
- PLEASE do not park in the school car park. Those parents that choose to do so anyway, make it a busy area where a child could be injured. 'Show You Care, Park Elsewhere'.
- Please encourage your child to walk in the designated footprint areas, not across the car park.
