

1 May 2009

Dear Parents

NEWSLETTER 14

Guinness World Record Skipping Challenge

The children enjoyed the skipping challenge yesterday. The whole school skipped together on the playground which was good fun! Mr Ross informs me the record was broken! It is fantastic the children were involved. The last record was 7,000 and yesterday 20,998 children skipped together at 11 o'clock.

Mrs Lucy Howe

Mother and baby are doing well. Harry was 7lb14oz and we are all looking forward to seeing them both!

Day Closure

A reminder that the school is closed on **Tuesday 5 May** as we are holding a joint day closure with the Junior School.

I hope you all have a happy long weekend.

Yours sincerely

Pauline Dukes
